Morpeth Parish supports wholeheartedly TOWARDS A SAFER CHURCH

Whistle-blowing Policy 2022/23

The Parish of Morpeth adopts the Whistle-blowing Policy of the Newcastle Diocesan Board of Finance (NDBF) and as such seeks to act with probity in its professional behaviour and aims to help staff, Office Holders and volunteers to follow, and be seen to follow, the highest ethical and moral standards. Should there be a failure in this, the policy seeks to enable the organisation to be alerted to any potential problem or wrongdoing reasonably believed to exist, without fear or negative reprisal in response to the revelation.

Full details of the NDBF Whistle-Blowing Policy is available on:

This policy is reviewed each year by the Parochial Church Council.
